

Our MISSION STATEMENT

To encourage and reinforce interest in aviation/aerospace subjects and careers and to educate students about the value of the aviation and aerospace industries in the local, state, and national economies, as well as in the security and recreational environments.

ABOUT US

The New Jersey Aviation Education Council (NJAEAC) is a non-profit statewide organization that provides a network for students, educators, the aviation/aerospace industry, and government to interact and share knowledge and resources, in order to promote the exciting opportunities available in the world of aviation and space.
